Re: Bair Hugger Forced Air Warmer Products Liability Litigation

Dear Ms. Steele,

Our firm represents your father, James Steele, in his case against the manufacturer of the Bair Hugger warming device that led to his left hip infection and multiple revisions. I understand from our discussions that your father passed away earlier this year. Please accept our deepest condolences for your loss.

We have a pending lawsuit filed on his behalf, and in order to continue with the case, you will need to provide our office with the following documents: (1) a copy of his death certificate and (2) Power of Attorney or Estate documents appointing a personal representative for his estate. The Court requires that we file these documents in order to maintain his case for the infection and injuries he suffered as a result of the Bair Hugger device. We previously spoke and confirmed you would provide these documents to our office, but we have not received them as of today's date. Please send them by US mail, fax (504-587-1577) or email ([kbryant@olindefirm.com](mailto:kbryant@olindefirm.com)) as soon as possible. If we do not receive these documents, your father's case will be subject to dismissal.

If you have any questions, please contact our firm at (504) 587-1440 to speak with an attorney. Thank you for your ongoing cooperation, and we look forward to continuing to pursue a recovery on your claims.

With kindest regards, I remain,

Wesley G. Barr
